

Business Fax Communications With Added Value Functionality

The OKIOFFICE 2530 delivers high performance straightforward faxing with the additional benefit of printing and full colour scanning. Highly versatile and affordable the OKIOFFICE 2530 provides the ideal communications solution for any business.

Professional fax performance.

- Super G3 33.6kbs modem delivers documents fast, accurately and economically
- Fast 3.5 second scanning keeps waiting times low
- 50 sheet automatic document feeder makes sending multi-page documents easy and efficient
- 250 speed dials including 26 one touch keys puts frequently used numbers at your fingertips
- 16ppm print engine delivers received faxes fast

- Easy to use and program with a comprehensive operator panel and QWERTY type keyboard
- Dual access allows user to scan documents at the same time a fax is being printed
- 250 sheet paper tray keeps user intervention and machine down times to a minimum
- The single piece print cartridge is simply and quickly replaced.
- High capacity print cartridge available to reduce running costs for high volume users

Integrates neatly into any working environment.

- Compact desktop size makes the most of limited space
- For the security conscious password protection secures machine access
- 110 page memory makes sure faxes are received during paper and toner outages
- Documents stored in memory are not lost if power is cut thanks to battery backup
- TAD interface allows easy connection of a phone or answering machine

Added value functionality for extra versatility.

- Save money and space - no need to invest in a separate printer and stand alone scanner
- High performance 36bit TWAIN colour scanner digitises documents with excellent image quality
- 16ppm laser printing quickly produces documents with true 600dpi quality
- Print from or scan to USB for added versatility
- Award winning PaperPort® software makes document processing easy
- Manage and archive all fax communications with PC faxing

Easy and efficient to use.

Consumables Information: For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI Printing Solutions toner cartridges. These can be identified by the OKI trademark. Any other toner cartridge may not operate at all, even if it is described as "compatible", and if it does work, your printer's performance and print quality may be degraded.

Description	Life* (pages)	Order Numbers
Black toner	2,200 pages	09004447
	4,000 pages	09004391

*All toner: A4 pages yield compliant with ISO/IEC 19752. Printer shipped with 1,500 pages yield compliant with ISO/IEC 19752. Specification subject to change without notice. All trademarks acknowledged.
