

T6212 Line Printer

'Best of breed' and whisper quiet

The T6212 is Tally's mid range, ultra quiet, 'Enterprise' series line impact matrix printer. Offering a printing speed of 1,200 lines per minute with an impressive 345,000 pages per month workload makes this the ideal printer for organisations with a requirement for a high quality line printer. As with all other products in the T6000 range, advanced features like Tally's 'Page Segmentation', and 'Read Right algorithm' give the T6212 clear advantage over competitive product in both throughput and print quality.
