REVOLUTION IN PRINTING

KONICA MINOLTA

Compact personal printer for demanding users

In the modern office environment, space may be limited but the demands for printing performance will always be high. Enter the PagePro 1400W – the ultimate compact laser printer. Small enough to fit on a bookshelf yet with outstanding print speed and high-quality output, it blends good looks and user-friendliness in a professional, affordable package.

Stylish design, professional results

One of the smallest monochrome laser printers in the world, the PagePro 1400W is a pleasure to own and use. With its attractive blue and white exterior, it satisfies the style criteria of any contemporary workspace. Output speed is 16 pages per minute, with razor-sharp 1200 x 600 dpi resolution. It can print on a variety of media including postcards, memos and letters. Positioned on a desk or shelf, it enhances office efficiency and tidiness by taking up the minimum of space.

Flexibility for all your needs

Weighing only 6.3 kilograms, the PagePro 1400W can be easily placed wherever you choose. Supporting all popular Windows® applications and with a 150-sheet multipurpose tray handling paper sizes up to A4, it prints personal documents of all types. Warm-up time is just 21 seconds, with first page out in a mere 13 seconds.

PagePro 1400W

Affordability built in

The PagePro 1400W is the affordable monochrome solution for home office users and small to medium sized businesses. At the same time, executives will appreciate the privacy it offers. Combine this with its reliability, efficiency and stunning appearance, and you have all your needs taken care of in one beautifully compact unit.

The PagePro 1400W in action

The PagePro 1400W excels when it comes to user-friendliness. Status Display software lets you keep an eye on print progress and consumable status via your PC screen. Consumables are pre-installed and software installation couldn't be easier. With quiet operation and front door access for simple consumables replacement, this is a personal printer to be proud of.

PagePro 1400W at a glance

- Up to 16 ppm in monochrome A4
- First page out: less than 13 seconds
- Up to 1200 x 600 dpi resolution

Print method: Electro photographic laser printing system
Print speed: 16 ppm
First page out: 13 seconds
Warm-up time: 21 seconds
Resolution: 1200 x 600 dpi; 600 x 600 dpi
Monthly duty cycle: 9,000 pages

Hardware and software capabilities

Memory: 8 MB RAM standard
Printer emulation: Windows® Printing System
Printer management: Status monitor

Host system requirements

Minimum: 333 MHz or higher Celeron class PC with 128 MB free disk space and RAM
Specified: 64 MB (98SE / ME / 2000P), 128 MB (XP)

Interface support

USB 2.0 (High-Speed) supporting Microsoft® 'Plug and Play'

Operating system compatibility

Windows® XP/2000/ME/98SE

Paper handling

Paper input: 150-sheet multi-purpose tray
Paper output: 100-sheet face-down output tray
Paper sizes supported:
Multi-purpose tray: A4, A5, folio, statement, letter, letter plus, UK Quarto, executive, B5(JIS), B5(ISO), foolscap, legal, J-postcard, custom paper (user defined)
Print media: Plain paper (60-90 g/m²), thick paper (90 to 163 g/m²), recycled paper (60-90 g/m²)

Physical

Type: Laser printer with internal controller
Dimensions: (D) 354 mm x (W) 269 mm x (H) 240 mm
Weight: Without consumables 6.3 kg; with consumables 7 kg

Electrical

Power requirements (220V/240V): VAC ±10%, 50/60 ±3% Hz
Power consumption (220V/240V): Max < 900 W; average < 390 W; ; sleep mode: < 8 W
Energy Star compliant¹

Environmental

Temperature requirements: 10° to 35°C (operating), 0° to 35° (non-operating)
Humidity: 15% to 85% RH (operating), 10% to 85% RH (non-operating)
Noise levels: <54dBA (printing), <39dBA (standby), < 30dBA (energy save mode)

Regulatory/Safety conformity

UL, cUL, FCC-B, DOC, VCCI, CE Marking, C-Tick, CDRH

Consumables

Printer ships with installed start-up toner cartridge (yield up to 1,000 pages)
Replacements consumables:
• Toner: 2,000 pages (declared yield value in accordance with ISO/IEC 19752)
• OPC drum cartridge 20,000 pages

Warranty period and conditions
