

HP Officejet 6000 Printer

Create professional-quality colour documents and save as much as 40% per page compared with competitive laser printers¹ with this fast, network-ready printer. Share the performance between up to five users via your Ethernet network.

HP Officejet 6000 Printer

The HP Officejet 6000 Printer is designed for micro/small business users wanting an energy-efficient, network-ready printer capable of delivering professional-quality colour and black-and-white at a low cost per page.

Print professional colour documents for a cost per page up to 40% lower than lasers².

Get professional-quality colour on all your office documents – from everyday outputs to customer-facing materials – with a cost per page as much as 40% lower than competitive lasers². Print in rich, vivid colour with crisp, laser-quality text using individual HP Officejet inks – only replace the cartridges that run out. Print with or without borders to create attractive flyers and other marketing materials on brochure and photo media.

Use as much as 40% less energy than lasers² and save paper too.

Minimise your impact on the environment with this efficient, ENERGY STAR® qualified device – use up to 40% less energy than with competitive colour laser printers². Advances in packaging design mean less packaging too, and reduce the environmental impact of transportation. Get more usable web pages with HP Smart Web Printing³ – combine multiple web pages into a single printed page with no cut-off edges.

Streamline user productivity – share fast print performance over your Ethernet network.

Boost individual and small workteam productivity – share the performance between up to five users via embedded Ethernet networking. Get professional results fast – enjoy speeds equivalent to a laser printer with up to 7 ppm black / 7 ppm colour⁴, plus draft/fastest speeds of up to 32 ppm black / 31 ppm colour. Experience fewer interruptions with high-capacity HP Officejet replacement cartridges⁵ and a large 250-sheet input tray.
